Our Story

Pee Dee Academy was chartered by the state of South Carolina in 1965 and offers the opportunity of an independent school education in grades K3-12. Pee Dee Academy attracts students from not only Marion County but also from Dillon, Florence, and Horry counties in South Carolina and several contiguous counties in North Carolina. PDA is designed to function as a college preparatory school, seeking to provide challenging instruction and a safe, patriotic atmosphere based on Christian principles. PDA is designated as an eleemosynary corporation with full tax-exempt status.

Alma Mater

During the 1970-1971 academic year, a committee of students was selected to help formulate ground rules for the Alma Mater contest. Several entries were received, but the committee felt that more entries would offer a more honest representation. The committee was unable to finalize on any entry and made tentative plans to have the contest again for additional entries, evaluation, and selection. The 1972-1973 Student Council under President Randy Dozier, Class of 1973, moved forward in the selection of an Alma Mater. A new committee of students and faculty was selected. This committee asked students for additional entries. As entries were supplied, the committee evaluated and selected words and music submitted by alumna Ashley Mace, Class of 1971. The melody of the music was taken from the hymn, "Eternal Father Strong to Save ". The new Alma Mater was initiated during the year at pep rallies, basketball games, academic classes, music classes, student assemblies, and graduation. As students became more familiar with the Alma Mater, its impact began to be evident. Our Alma Mater is loved by all and will be enjoyed by many for years to come.

Forever in our hearts and minds.
Pee Dee Academy brightly shines.
A home that greets with friendship warm
Each son who'll n' ere forget her charm.
Oh, hear our voices thundr'ing strong
In praise and honor ever long!

Her golden wings so brave and wide
Fill every soul with Eagle's pride.
Her head uplifted to the sky
Instills the pow'r and will to fly.
Oh, hear our voices ringing clear
And loud, till all the world can hear!

-Lyrics by Ashley Mace Havird, 1971

Seal

During the summer of 1970, Mr. Tim Barrineau was requested to help design an appropriate seal. He was asked to incorporate the four (4) basic objectives of the Academy (Scholarship, Christianity, Patriotism, and Athletics) into the design. His basic design was adopted by the students after Mr. Irvin Dodge of Marion modified the basic layout and gave color to the design. Mr. Dodge also presented the Academy with a large replica of the seal which is displayed in the high school building. The seal is found on the class ring, stationery and envelopes, certificates of awards, and the Pee Dee Academy diploma.

School Colors

Royal Blue, Gold, and White

Mascot

"Golden Eagle"-adopted by the 1971 student body by secret ballot.

Motto

"Strength Through Knowledge"

Class Ring

The 1970-1971 Academy's student body selected a ring committee to design a class ring. This committee worked hard and diligently to select a design that would be meaningful, not only to the first graduating class of 1971 but to future graduating classes that would reach that milestone. The ring design was finalized and made official by the student body. A photograph of the ring can be seen in the Academy's general office.

Board Governance

The Board of Directors is the highest governing body of the school. The Board reserves the right to change, amend, override, or discount any part or all of the rules as outlined herein above provided that the issues that may arise are personally addressed before the Board. The decisions of the Board are final and paramount.

Accreditation

Pee Dee Academy is a member of, and accredited by, the South Carolina Independent School Association, Inc. (SCISA).

Guidance Program

The purpose of the guidance program is to help each student achieve his or her highest growth mentally, emotionally, and socially. We try to achieve these goals in the following ways:

- 1) Help each new student feel at home in the Academy with new teachers and friends.
- 2) Individual conferences are available to each student when the student or the counselor deems it necessary.
- 3) The testing program is designed to help students learn as much as possible about their capabilities.
- 4) The counselor welcomes the opportunity to talk things over with any student or parent.

There will be scheduled summer advisement meetings for each Senior with his/her parent(s)/guardian(s).

Student Check In/Check Out Procedures

- Parent/Guardian will send a note or email to the front office stating date, time, and reason for check-in/check-out for their child. Text messages and phone calls will not be accepted for student dismissal. Having a note/e-mail will help with safety, faster communication, and accountability in the check-in/check-out process. Whenever possible, this note should be sent before 8:30 a.m. to Heather Grant (hgrant@peedeeacademy.org) and your student's first-period teacher (upper school)/homeroom teacher (lower school).
- ALL students will sign in/out in the upper school office.

Students should get assignments before leaving and plan to make up tests that they will miss. Transportation must be furnished by the family to leave school early. Parents are encouraged not to make dental and doctor appointments, if possible, during school hours.
- 2) Without permission. If a student leaves school without permission, regardless of sickness or not, a suspension from school will be issued.
- 3) All students will sign out in the office or will be considered cutting. You must also sign in when you return.
- 4) No students may leave the school grounds from the time of arrival until the time of dismissal without specific permission from the Head of School.
- 5) Upperclassmen whose schedules permit may be allowed to come later or be dismissed early if the student remains at school for three full periods. Safety Drills

- When a safety drill or an emergency occurs, students must stop whatever they are doing and proceed to the designated areas at assembly points outside the buildings or in enclosed areas of the buildings, depending upon the drill.
- The essential rule during safety drills is that students must proceed to the designated area in a rapid, orderly, and quiet manner.
- Pee Dee Academy practices the following drills: earthquake drill, fire drill, tornado drills, and lock-down drills. Safety issues are addressed in the Pee Dee Academy Crisis Management Plan and all faculty and staff members have a copy in their possession.

- Grades in courses carrying Carnegie units will be converted according to the South Carolina Uniform Grading Scale (see below).

Course Changes for Students

Reasons a course change will be made:

- The student has already passed the course.
- The student failed a course needed for graduation and needs to take that course over.
- Administration and parents have a prior agreement.

Junior Marshals

The seven (7) juniors who have maintained the highest-grade point averages will be designated as junior marshals.

The chief marshal will be the marshal with the highest-grade point average. GPAs will be calculated at the end of the 1st Semester of the junior year.

- Junior Marshals will be announced prior to Spring Break.
- Marshals must have entered Pee Dee Academy by the beginning of their sophomore year.
- All Junior Marshals must attend practices, Baccalaureate, and Graduation ceremony.

Summer School

Pee Dee Academy will not accept summer school credit from public schools in the area or any private school unless previously approved by the Head of School and the Board of Directors following one year of enrollment at Pee Dee Academy. Pee Dee Academy will offer summer schoolwork only when the group interested will financially support the course. Summer school grades will take preference over previous grades in the course. The amount of the fee must be paid in full to Pee Dee Academy before the course.

Grade Exemption

No student who attends Pee Dee Academy in grades one through twelve will be exempt from a grade. It is the philosophy of the administration that each grade has its academic and social value and that a student exempted from the experience will miss an opportunity offered only once in life. This includes graduating early. However, this may be waived with the approval of the Board.

Grade Promotion

The school administration team and teacher will determine kindergarten retention on an “as needed” basis. Parents will be notified at the third nine-week mark if their child is in danger of being retained and will be asked to come in for a conference. If student performance has not improved a second conference will be held with the parent, teacher, and administration team.

Promotion from grades one through eight (students who fail one or more subjects) will be determined individually.

For grades 9-12, to be promoted to a higher grade, a student must have the following minimum academic units at the end of the year:

From Freshman to Sophomore:	4 units
From Sophomore to Junior:	9 units
From Junior to Senior:	15 units
To Graduate:	24 units

Academic Probation

Students may be placed on Academic Probation at the discretion of the Head of School.

All new students accepted to Pee Dee Academy will be admitted on a provisional basis for nine weeks. At the end of the nine weeks, all teachers will submit an academic report to the Head of School. The student’s academic progress, behavior, and attendance will be evaluated. If all is satisfactory, the student’s admission will become final. If all is not satisfactory, the student may be dismissed.

Dual Credit Courses

Pee Dee Academy Dual Credit Policy Effective Class of 2021:

Dual Credit: Courses taken for high school and college credit.

If a student chooses to take courses for Dual Credit, the student must do the following:

- Choose courses that will not replace Pee Dee Academy courses without prior approval from the administration. All required courses for graduation must be taken at Pee Dee Academy.
- Understand that courses taken during high school that are eligible according to the conditions above may be reported on the transcript. For courses taken during the fall of the senior year, the courses with the highest average will be reported (up to the approved number of courses). However, once a course appears on a transcript that is mailed with a college application, it will not be removed. Parents and seniors will approve the transcript before it is mailed with college applications during the fall of the senior year.
- Students receive high school and college credit for dual credit courses. To receive full credit, students must adhere to Pee Dee Academy attendance requirements to receive credit in courses on their transcript from PDA. Exceptions to this must be approved by the administration.

If a student chooses to take courses for Dual Credit, the student must understand the following:

- Pee Dee Academy will only accept three courses per fall and spring semester to be reported on the student’s high school transcript. These must be approved courses that appear on the student’s PDA class schedule. The limit of three dual credit courses per semester is to make sure the student is set up for success.
- Pee Dee Academy will only accept these three courses per semester to be included in the student’s high school GPA.
- **Teacher Cadet is a year-long dual credit course offered through Francis Marion University. Due to the length of this course, it does go towards the student’s GPA, but it cannot replace any of the three dual credit courses per semester that go toward class rank.*
- Students and parents will sign a Dual Credit/Dual Enrollment Contract before registering for college classes.

- Any requests for exceptions to this policy should be made in writing to the Head of School. Any exceptions will be made at the Head of School's discretion after consultation with the board of directors.
- Parents are responsible for paying for dual credit courses that students enroll in. Students must stay up to date with published dates from the institution when they are enrolled in dual credit courses.

Exam Exemption Policy

First Semester. All students in grades 7-12 will take first-semester exams. The only exceptions are seniors enrolled in semester-long courses.

Second Semester. All students in grades 7-11 will take second-semester exams. Last semester, seniors may be exempt from an exam if they are passing the course (meeting the academic and attendance requirements) at the time of exams. Seniors with excessive tardiness (over 5 per nine weeks per class) will be required to take second-semester exams in their classes.

Extra Help

- Students at Pee Dee Academy have access to extra help.
- Extra help is usually scheduled before/after school, Monday-Thursday, or during the school day at the convenience of teachers.
- Extra help is not a viable option for those who do not pay attention in class or for those who do not do their assigned homework.
- Extra help is NOT the same as tutoring. Extra help is provided by all teachers to answer specific questions, clarify instructions, or review material covered in class.

Homework Policy

- Homework is to be done by the student and should not be shared with other students unless approved by the teacher.
- Homework assignments are the student's responsibility and should be submitted promptly.
- There may be consequences for failure to complete homework.

Make-up Work

- The student is responsible for getting notes and announcements from the missed class.
- The student is responsible for any material given during the absence, including homework, quizzes, tests, projects, etc.
- The student is responsible for knowing of any future assigned homework, tests, quizzes, projects, etc.
- If a student knows that they will be absent ahead of the day or days missed, the student is responsible for collecting all assignments for homework, tests, quizzes, projects, etc., before this absence.
- All make-up work should be completed by the deadline given by the teacher.
- If work is not completed by the deadline, a student may earn a zero.
- Please note that individual teachers may have specific policies that the student should adhere to.

Report Cards are published on GradeLink after each nine-week school period. Report cards will be available on GradeLink for parents to view. Hard copies will be available upon request.

Academic Awards

Academic Letterman

To receive an Academic Letter, students in grades 9 –12 must have a 4.30 or higher GPA (for the first three nine-week periods of the current year.) Students ranked in the top three of their class will be recognized as captains.

Headmaster's List and Honor Roll (At the End of Each Quarter)

Headmaster's List. A student must have a 93 or above in all subjects for nine weeks to be eligible for the Headmaster's List.

Honor Roll. A student is eligible for Honor Roll if they have a grade of 85 or above in all subjects for the nine-week grading period.

Headmaster's List and Honor Roll (End of Year Awards)

These guidelines have been made to be more challenging for our students.

For Grades 1-12:

Headmaster's Certificate. A student must make Headmaster's (93 or above in all subjects) for the first three nine weeks during the school year to be presented with a Headmaster's Certificate. Therefore, if a student makes Headmasters once or twice in a year, and Honor Roll the other nine weeks, they will receive an Honor Roll Certificate, not a Headmasters. The student must make Headmasters during the first through third nine weeks to receive the Headmaster's Certificate.

Honor Roll Certificate. A student must make the Honor Roll (85 or above in all subjects) for the first three nine weeks during the school year to receive the Honor Roll Certificate.

Students who enroll in the middle of the school year, records from their previous school, with their grades at PDA will be reviewed to determine eligibility for receiving a certificate.

Qualifications for Senior Academic Honors:

Class rank will be determined at the end of each semester, beginning with the fall semester 9th grade through spring semester 12th grade. Class rank will be ordered based on cumulative GPA. The highest GPA will be ranked #1.

Valedictorian and Salutatorian.

The class valedictorian will have the highest GPA at the end of the senior year.

Students receiving these awards must have entered Pee Dee Academy by the beginning of their sophomore year and have taken the most rigorous courses offered at PDA. The Valedictorian and Salutatorian will be announced at the end of the senior year.

Honor Graduates

Honor graduates are those graduating seniors who have maintained an average of 4.30 on the SCUPS for all high school work.

PDA Honor Society

To be a member of the Pee Dee Academy Honor Society, a student must have a cumulative 4.30 GPA through the first semester of the sophomore year and must maintain this average throughout the remaining semesters of his/her high school years. Each member should have a good character, possess qualities of leadership, and display a commendable attitude. Each Pee Dee Academy honor graduate will be given special recognition at graduation by having an asterisk placed by his/her name and wearing a gold cord and tassel. Also, honor graduates will have a gold label placed on their diplomas distinguishing their honor. The PDA Honor Cord will be the only cord/stole allowed to be worn at graduation.

Attendance Policy

The school year consists of 180 days for students. These 180 days include all short days and exam days. Each day is important. Pee Dee Academy will operate under these attendance guidelines.

- 1) **Lower School students** will be allowed 10 unexcused absences per year.
 - After 3 continuous absences with no communication with the school, the parents must contact the Head of School for the child to be re-admitted to class.
 - To be promoted to the next grade, a student may have no more than ten (10) unexcused absences. The student must be in attendance for 85% of the class sessions, whether the absence is excused or unexcused. This means that a student may not have more than twenty-seven absences (excused and/or unexcused) for the year. Family trips are considered unexcused absences and count toward the total number of absences a student may accumulate. Parents are responsible for checking their child's attendance on Gradelink. If a student is absent, in order for the absences to be excused, written documentation from a doctor or dentist must be presented stating the exact dates of absence. Death or bereavement will be handled by the administration. Students will have two days after an absence to bring or email a medical excuse. Failure to return a medical excuse within two days of return to school will result in the absence being considered unexcused. It is the student's/parent's responsibility to ensure that a medical excuse has been turned in to the front office. All missed assignments will be recorded as incomplete in Gradelink when a student is absent. It is the responsibility of the student/parents to reschedule the makeup of any missed assignments in a timely manner.

2) The upper school has individual periods, with attendance taken in each class. No more than 10 unexcused absences will be allowed in classes bearing 1.0 credits (year-long courses), and no more than 5 unexcused absences will be allowed for those bearing 0.5 credits (semester courses).

- After 3 continuous absences with no communication with the school, the parent must contact the Head of School for the child to be re-admitted to class.

All missed assignments will be recorded as incomplete in Gradelink when a student is absent. It is the responsibility of the student/parents to reschedule the makeup of any missed assignments in a timely manner.
- After the final unexcused absence has been reached, the student will repeat that course.
- The South Carolina Department of Motor Vehicles PDLA form to obtain a driver's license will not be signed if a student has excessive absences.

3) If a student anticipates an absence for any reason (surgery, for example), he/she should bring a written excuse to the front office at least two days before the planned absence. The student is responsible for any work missed.

Absences

A) Excused Absences. Only a doctor's note serves to excuse an absence unless it has been otherwise cleared by the administration.

B) Absentees and Extra Curricular Activities.

Practice or playing on any school day will depend upon attendance. Three (3) full periods of school will be necessary. A student will not be allowed to play or practice if he/she goes home early for sickness. If a player comes in late and the excuse is sickness, the player is not eligible to play or practice that day. Well-visits to the doctor or family emergencies such as funerals will be excused for play and practice. A student who leaves school early because of sickness will not be allowed to engage in extra-curricular activities that afternoon or evening (for example, cheerleading, pageants, sports, etc.) Students will be excused for deaths in immediate family or doctor's excuse.

C) Unexcused absences

- 1) An automatic zero will be recorded for each class, provided a grade is issued for that day to students for work due or done in class.
- 2) The zero can be removed with make-up work unless the absence is suspension.
- 3) Each individual teacher will have individual policies on how, when, and where work is to be done.

Tardies

Students reporting to homeroom/first period after the 8:05 a.m. bell will be considered tardy and will be required to report to the office for an admission slip.

Grades 7-12. Each student will be allowed five unexcused tardies per nine weeks. When a student has gone over the limit of 5, the following consequences will be enforced:

Tardy 6: Parent/guardian will be notified, and a \$10 administrative handling fee will be assessed.

Tardy 7-9: Parent/guardian will be notified, and a \$10 administrative handling fee will be assessed for each tardy. Students will also be required to serve a work detention for each tardy.

- **Tardy 10:** Parent/guardian will be notified, and the student will be issued a 1-day suspension. Continued excessive tardiness may result in the loss of extracurricular privileges, probationary enrollment, or administrative review of the student's status.

Purpose of the Administrative Fee:

This fee is not a punitive fine, but rather an administrative handling charge to offset the additional time and resources required to address repeated disruptions caused by late arrivals. The fee supports the enforcement of school policies and helps ensure classroom learning is protected for all students.

All tardy fees must be paid promptly. Unpaid balances may result in a hold on report cards or participation in extracurricular activities until resolved.

Perfect Attendance Recognition. Perfect attendance is defined as no tardies, no dismissals, and no absences of any kind (excused or unexcused) unless the absence is due to school business.

College Visitation

- Seniors and juniors can use 2 school days that will not count towards the 10-day attendance policy. Parents may send a request to the Upper School Administrator that more days be excused for long-distance college visits.
- The Upper School Administrator must be informed in writing at least 3 school calendar days prior to the scheduled visit. If visits are taken without prior approval, they will not be excused.
- Students should also inform teachers at least 3 school calendar days before the scheduled visit.
- Students are responsible for all the work missed during this visit.

Student Code of Conduct

The Pee Dee Academy Code of Conduct is not intended as an exhaustive list of misconduct. As a result, Pee Dee Academy reserves the right to discipline a student for any conduct the school deems inappropriate even though it is not specifically mentioned in this Code. **At Pee Dee Academy, students are expected to conduct themselves in an orderly and courteous manner with proper respect for faculty, students, and school property.**

All sanctions and consequences are designed to be fair, redemptive, and instructive, with an emphasis on growth and development. The nature and severity of sanctions are based on the following:

- Severity of incident
- Past behavioral patterns
- Student Maturity
- Emotional state of student when incident occurred.

If possible, initial intervention for disciplinary problems should be minimal with an emphasis on caution, reasoning, and counseling. However, Pee Dee Academy will maintain a firm and uncompromising position on inappropriate behaviors.

A student who has knowledge that a violation could occur may be considered an accomplice. A student who finds himself or herself directly involved in an inappropriate incident or potential incident has the responsibility to remove himself or herself to avoid implication.

Parents and students have the right under the School Code of Conduct to appeal any decision following standard procedures. However, they have the responsibility of addressing the concern along each level of the process prior to appealing to a higher authority.

Off Campus Behavior

While Pee Dee Academy has no direct supervision over students outside of school operations and activities, we do reserve the right to discipline students for inappropriate behavior.

During times that students are outside of school operations and school-related activities, they are not under the direct supervision of the school and are not subject to the consequences of the Pee Dee Academy Code of Conduct. However, as part of their agreement to enroll children in school, parents have agreed to support the school in its educational endeavors to accomplish our vision, mission, and goals. As students always represent the school, their behavior outside school operations and activities may reflect on the overall effectiveness of the school. As a result, the school has the responsibility to hold students accountable under certain circumstances.

Staff and Student Communication

The quality of students at Pee Dee Academy allows the faculty and administration to rely on reasoning to encourage appropriate behavior. As a result, our primary consequences are based on positive communication with our students. Most communication is preventative in nature and is designed to make students aware of our expectations to avoid situations where they unknowingly exhibit inappropriate behavior.

For this reason, teachers begin the year teaching students the rules and regulations for their individual classes and the school. Also, teachers are encouraged to talk to students regarding inappropriate behavior in such a way as to encourage the students while avoiding embarrassment. When teachers feel additional assistance is needed, they are to refer students to administration.

Parent/Teacher/Administrator Communication

Our belief is that the primary source of guiding student behavior should be the parents. Our mission for maintaining appropriate student behavior is to form a partnership between the student and parents allowing the parents to handle as many issues as possible. It is our responsibility to ensure that we maintain an optimal academic environment for all our students. If necessary, parents will be contacted through certified letters, e-mails, phone calls, and parent conferences. However, when these forms of communication are no longer effective, graduated consequences may be necessary.

Suspension

A suspension is a denial of the right of a student to attend school. The purpose of a suspension is to send a clear message to the student that the behavior is unacceptable. A suspended student will receive a zero for any missed assignments or test during the period of suspension. Students are not allowed on campus or to participate in any school activities during the period of their suspension. This includes athletic practices. Teachers and coaches will be informed of any suspensions.

Expulsion

Expulsion is the permanent dismissal of a student from school. It is considered an absolute last resort to be used when all attempts to correct disciplinary issues have been exhausted. At this point it is determined that a complete change of environment is in the best interest of the student. An expulsion may also be justified when a student commits an act so severe that it threatens the safety of our other students or severely inhibits Pee Dee Academy from meeting obligations to our other students. Finally, an expulsion may be necessary if a parent continuously refuses to support the school to correct inappropriate behavior of our students and support our mission to promote a positive learning environment.

Campus Expectations

- Students are to address adults in a respectful manner.
- During assemblies, students will be attentive, courteous, and respectful always.
- No weapons, guns of any make (rifle, shotgun, pistol, toy guns, etc.), knives, and explosives, are allowed on the Pee Dee Academy campus, including student vehicles.

Honor Code

A system of honor is essential for members of a community to work together in an atmosphere of trust. A personal sense of honor ensures that students can think for themselves, trust others, trust themselves, and grow in self-esteem. Many students have come to believe that their grade, not their learning is the key to success. As a result, cheating, copying, and other forms of academic dishonesty could become commonplace. To reduce the likelihood of such behaviors, an Honor Code has been instituted to redirect the students' energies toward learning. To promote personal honor and integrity, Pee Dee Academy students are expected to live by an Honor Code and to uphold the tradition of honor throughout their years at PDA. Living in an atmosphere of mutual trust and respect is a privilege not to be violated and not to be taken for granted. To sustain these values and preserve this atmosphere of trust, each student (grades 7-12) is expected to abide by the Honor Code.

A Pee Dee Academy student will not lie.

A Pee Dee Academy student will not steal.

A Pee Dee Academy student will not cheat.

For such a system to be effective, every member of the Pee Dee Academy family must believe in and support the Honor Code. The office will keep an official record of all infractions. Offenses are carried over from year to year, and deletions can be made only by the Board of Directors.

Athletics

General Athletic Guidelines

Pee Dee Academy's philosophy can best be described by the Vince Lombardi quote: "Winning is not a sometime thing: it's an all the time thing. You don't win once in a while; don't do the right thing once in a while; you do them right all the time. Winning is a habit. Unfortunately, so is losing." Pee Dee Academy's athletes have as their objective to win—fairly, squarely, decently, by the rules, but to win!

Pee Dee Academy's athletes are to conduct themselves with respect for their opponents, coaches, fellow teammates, fans, property and equipment, officials, and the sport and event they are competing in. Representing your school as an athlete carries a great deal of responsibility on and off the field or court.

- Respecting oneself involves positive habits of good hygiene and physical conditioning which includes no drinking of alcoholic beverages and no smoking. Each coach feels strongly about these guidelines and will be specific about penalties concerning violation of these rules.
- Every player must turn in a SCISA Agreement for Participation Form, SCISA Warning of Inherent Risk Form, and current SCISA Physical Form.
- Head coaches may choose to go over their team rules at a parent meeting.
- Uniforms purchased by Pee Dee Academy will be issued and recorded by *Head Coach or* Athletic Director. Uniforms are the property of PDA. They must be turned in after the last game of the season by the assigned date from the coach. Athletes who lose their uniform will be required to pay the equivalent value of a new uniform.
- Dress codes will be determined by the Administration and each coach will be expected to follow these established guidelines.
- Missing a scheduled practice, despite the reason, must be made up under the direction and supervision of the coach responsible. Make-up practice guidelines and procedures will be specified at the onset of each sporting season.

- The athletic facilities of Pee Dee Academy are for the use of our athletes and former athletes only under the direction of the Pee Dee Academy coaching staff. The facilities are open under the direction and supervision of the coach in charge. Don't bother coaches for keys to the facilities on weekends or other times when practices are not scheduled.
- Each sport has a designated head coach. This individual is responsible for the involvement of himself and his assistant coaches in carrying out the practice and game schedules, coaching decisions, student participation, and the honorable conduct of himself and his assistants.
- Athletic contests involving Pee Dee Academy teams will be under the jurisdiction of the SCISA, their honor code and regulations. All major contests will be governed and directed accordingly. Officials will be used that are authorized by the Association at each contest. Questionable calls by these officials should be questioned by the coaches only after discretion and privacy have been considered. Impromptu negative reactions by coaches should be brought under control immediately.
- A student may not play two sports in the same season that conflict with each other. In the event two sports do not conflict in practice or game times, a student may play multiple sports in the same season.

PDA Academic Eligibility Policy for Sports and Extracurricular Activity Participation

For a student to participate in any sport or extracurricular activity, he or she must pass all courses and maintain an overall average of 70 or above for each marking period: 1st 9 weeks, 1st semester, 3rd 9 weeks, and final grade. No Pass, No Play with an overall average of 70 is the rule. It is up to the coach to decide whether an ineligible student can join the team after the season begins should the student become eligible.

To add a newly eligible player to the team, there must be a position available without moving a current player off the team. Practice for ineligible students is not allowed, even those working for the next grading period eligibility.
